

Pay Your Tax Bill Direct From Your Bank Account!

No Checks • No Postage • Your Payment Will Always Be On Time

How does Automatic Bill Payment work?

Mail, email or drop off your completed enrollment to the Township office (we have a secured drop box for your convenience). Once set-up, we will confirm receipt via email. Your payment will withdraw automatically as described on the enrollment form for each tax season.

Automatic payment will stay in place from year to year unless you notify us in writing to cancel.

How will you know the amount of your bill?

The Treasurer will send you a tax bill in the first week of July for the summer bill and the first week of December for your winter bill. You may also look up your tax information free of charge online at www.allegancounty.org.

What if there is a question about your bill?

Call the township office at (269) 751-7655. If the amount due is in question, you may stop the automatic withdrawal (must be done at least 15 days prior to the chosen withdrawal date).

Is there a charge for this service?

No. The Automatic Tax Bill Payment service is offered by Fillmore Township free of charge. Most financial institutions do not charge their customers for the service. Contact yours to be sure.

Can payments be withdrawn from a savings account?

Generally, yes, however some savings and money market accounts may not be able to accept these transactions. Contact your financial institution for information about your specific account.

What if you need to make a change?

If you change your checking/savings account, a new enrollment form will be required. If you decide to cancel your participation in the Automatic Bill Payment plan, please notify Fillmore Township in writing (which must be done at least 15 days prior to the chosen withdrawal date).

What if I signed up for the service, but accidentally made a payment by other means?

If your account is paid in full and you are signed up for the service, the automatic payment will not be processed for the current bill.
